Request for Copy of #2 Labeled
"Standing Order"

I am writing unto the courts if I may request item
#2 Standing Order be mailed to me at the above
address. I'm unsure when I will be able to be
out of incarceration.

Update on Transcripts

It seems as though the Superior Court of Floyd Co
has received my request. On day 65 of continuous
confinement, the "Bond Revocation" Hearing was
held in which the judge stated they have re-
ceived the communications, copied them & dis-
tributed them.

I have yet to have my files/cases nor transcripts.
I am being denied that duty, so my defense is
hindered & my suits as all I have is a #1 bendy
pen & even being denied a hairbrush & my soap
I've experienced my 3rd physical attack while in
custody & made the court aware of that as well.
April 13th 2023. I would still like to have transcrip-
pts of all my Floyd Co cases

Thank you,
